## Exercises on Tokenization

---

**B**

**How many tokens you see in the following sentences? Count the tokens and write the number.**

- Early in the morning, in San Francisco, several men are working.
- To go to Mary's cottage you must turn left.
- Dr. Verdi didn't like very cheap restaurants (like McDonald's).
- That New York-based family often travelled to Italy
- Our meeting will be at 2pm on 09/25/2024
- The most intense moment was when he sang "Shape of you".
