

Exercises on Part of Speech tagging

E

Use the UDpipe (<http://lindat.mff.cuni.cz/services/udpipe/>) to tag and lemmatize (no parse) the Part of Speech in the following sentences using the model based on English-ewt-ud-2.12-230717:

1. I made her a duck
2. A light light blue feather
3. A light light seeped from under the door
4. A light light was emitted by the chandelier
