

Your site license is ready for download at <https://www.genopro.com/download/SiteLicense/InstallGenoPro.unito.exe>. Your site license registration key is **3-WsUJ-TXBY-9KWX-UNITO** however this key is optional, since your custom download includes your registration key. All employees, professors, students, alumni, clients, guests and donors of University of Turin are welcome to GenoPro 2020 at home on their computers (laptops, desktops) for work, school and/or personal projects such as genealogy.

The easiest way to install GenoPro is distributing the link <https://www.genopro.com/download/SiteLicense/InstallGenoPro.unito.exe> to professors, students, alumni and clients (if any). With this site license, you don't need to distribute license keys and/or keep track of them.
